

## WHEN THEY CLOSE MY CASKET

When they close my casket...there will be some numbers on a piece of paper....that's all it comes down to materially....

And with any luck and for the benefit of those I love...there hopefully won't be a minus sign in front of the numbers.

The rest is really what it's all about...

How we treat our fellow men and women,

How do we act from the time we take our first breath- to the time we take our last,

Did we leave the earth just a little better than when we first arrived....

That's what it's all about.

The numbers on the form are just points, just something some people use to keep score

Like Monopoly money....nothing more.

This is Bob Brenna, Jr., from the Law firm of Brenna and Brenna, urging you to use the time you have to take care of people....the numbers will take care of them selves.
